

EVERGREEN

RELEASE AND HOLD HARMLESS AGREEMENT

I hereby acknowledge that equestrian activities, including riding and being around horses, are inherently dangerous activities, which pose a serious risk of injury and/or death to their participants and spectators. I desire to participate in these activities knowing they are dangerous. I knowingly assume the risk that I may suffer serious personal injury and/or death as a result of someone else's negligence or through no fault of others due to the dangerous nature of equine activities. These risks may include, but are not limited to, damage to personal property, bodily injury, trauma, or death. I further understand that both horse and rider can be injured in the normal course of events while hacking, schooling, competing or working around horses. It is highly recommended for safety reasons that an ASTM/SEI certified riding helmet be worn at all times with the chin strap properly secured.

I hereby release, waive, and forever discharge any and all past, present and future claims, demands, obligations, causes of action, rights, damages, and expenses of any nature whatsoever that I (and/or my legal representatives, heirs, guardians, or assigns) may have against EVERGREEN STABLES LLC AND EVERGREEN STABLES FARM, LLC, and/or its members, employees, directors, invitees, boarders, volunteers (and their respective legal representatives, heirs, successors, and assigns)(the "Released Parties") for personal injury, death, property damage, or other damages caused as a result of, or related to, directly or indirectly, participation in any equestrian activities, either as a participate, spectator, or in any other capacity to the fullest extent permitted by law.

In addition, I hereby agree to indemnify and hold harmless EVERGREEN STABLES LLC AND EVERGREEN STABLES FARM, LLC and all other Released Parties from any and all claims, causes of action, liability, expenses, costs, and damages (including, without limitation, reasonable attorneys' fees and amounts paid in settlement) incurred or suffered by EVERGREEN STABLES LLC AND EVERGREEN STABLES FARM, LLC or any other Released Party as a result any claim asserted or threatened by any person against it pertaining or relating to, in whole or in part, any accident, injury, damage, or death to any person, horse, or other property caused by me or my family members, guests, invitees, or any horse owned, ridden, or under the control of any of the foregoing persons.
